

INFORMATION FOR THE PARENTS OF THE PATIENTS ADMITTED ACCORDING TO A SCHEDULE TO THE DEPARTMENT OF GASTROENTEROLOGY

On the day of admission the patient should possess:

1. Documents:

- ∞ referral to the hospital department
- ∞ health insurance card
- ∞ patient's medical history – if any
- ∞ legal guardian's identity card

2. Personal hygiene accessories

3. Books for school-aged patients (primary school and junior high school)

The patient should report to the admission room by 9:00 am

Stay of the carer in the hospital

The parent / carer may stay with the patient in the hospital department or use the accommodation facility located within the hospital area. Due to accommodation limits and having in mind the patients' welfare only one person can stay with the patient at the same time.

Rules of stay in the department:

Within the department area one must not smoke, drink alcohol consume the meals bought outside the department, bring the children hard, small candies.

For epidemiological reasons and shortage of space one must not bring to the hospital unnecessary household equipment, such as kettles, TV sets, baby carriers, chairs, mattresses, etc.

One must keep order and cleanliness in the area of the accommodation facility and the entire hospital.

The quiet period lasts from 8:00 pm to 7:00 am.

Discharge from the hospital

The discharge summaries can be received at the patient's bedside between 12:00 and 3:00 pm. The discharge summaries are issued by the attending physician or Head / Chief of the Department.
