

INFORMATION FOR THE PARENTS OF THE PATIENTS ADMITTED
ACCORDING TO A SCHEDULE TO THE DEPARTMENT OF PEDIATRIC
ENDOCRINOLOGY AND DIABETES

On the day of admission the patient should possess:

1. Documents:

- ∞ referral to the hospital
- ∞ health insurance card or another document confirming the insurance status
- ∞ medical record book
- ∞ child's health book
- ∞ legal guardian's identity card

2. Toiletries

3. Pyjamas and clothes to change into

4. Cutlery, plate, mug

5. School equipment (primary school and junior high school pupils)

The patient should report to the admission room between 8:00 and 9:00 am.

Stay of the carer in the hospital

The parent or carer may stay with the child in the hospital department, however with no guarantee of available accommodation – there are two rooms for the mother and the child in the department (bed for mother and for the child). One can also stay over in the accommodation facility located at level "0".

Discharge from the hospital

Issuance of discharge summaries to the hospitalized patients depends on the date of submission of the examination results to the department (the summaries may be issued on the discharge day or within the next few weeks)
